

HIGH SPECIALISATION · HSEN · HSES

Classified Information Security and HSE

Working with classified information requires a specific Facility Security Clearance (HSE) issued by the National Security Authority (NSA/CNI). LAMASSU supports the whole process, drawing on its experience in the institutional defence and intelligence environment.

WHO IS THIS FOR?

- Defence industry and its subcontractors
- Companies in classified tender processes
- Companies with access to NATO or EU facilities

DEADLINE / KEY DATA

6-18

months before the NSA
HSE processing

WHAT IS INCLUDED?

- ✓ Eligibility assessment and required clearance level (HSEn or HSEs)
- ✓ Preparation of the HSE application to the National Security Authority (NSA/CNI)
- ✓ Design and documentation of Class I and Class II security areas
- ✓ Drafting of the Classified Information Security Plan
- ✓ Design of handling, custody and destruction procedures
- ✓ Clearance and training programme for staff accessing classified information
- ✓ Preparing the company for the NSA inspection
- ✓ Periodic compliance audits after obtaining the HSE
